

INFORMATION REGARDING THE STUDENT AWARD APPLICATION PROCESS

Please read carefully!

ELIGIBILITY:

- Graduate student members of CIRMMT are eligible to apply for CIRMMT student awards to pursue interdisciplinary research projects within the Centre's mandate. **N.B.** To be eligible, students must be enrolled during the full period of the award funding.
- Master's and Doctoral students may submit single or group applications. Post-doctoral members and visiting students are not eligible for this funding.
- **PLEASE NOTE that to be considered eligible for CIRMMT funding, students are expected to attend:**
 - *EITHER* a minimum of 4 out of 6 Distinguished Lectures in the 12 months prior to the application deadline,
 - *OR* a minimum of 3 out of 6 Distinguished Lectures and significantly contribute to the organization of a CIRMMT workshop along with the RA co-leaders in the 12 months prior to the application deadline.
 - Students from universities outside Montreal (U. de Sherbrooke and Université Laval) are exempt, but are encouraged to attend when possible. CIRMMT funding applications will include a section where students will be able to indicate which Distinguished Lectures they have attended.
 - ***Extenuating circumstances will be reviewed.***
- Eligible **group applicants** must be working on a research project that involves a minimum of two students with supervisors from different disciplines, at least one of whom is a Regular member of CIRMMT.
- Eligible **single applicants** must be supervised by at least one CIRMMT Regular member, although co-supervision by another researcher, ideally a CIRMMT Regular member from a different discipline, is encouraged. Applicants with only one supervisor need to justify their choice.
- **New group and single applicants** are eligible for a **maximum of \$5000 per person**.
- **Renewals:** Students who have successfully applied before can receive a subsequent student award, but only for new projects, preferably with new team members, and at a reduced funding level of a **maximum of \$3000 each**.
- Applications must be relevant to CIRMMT's [mission](#). Selection will be based on the quality as well as the interdisciplinarity of the proposal.

APPLICATION PROCESS:

- **DEADLINE: February 1st, 4pm.** If the deadline falls on a weekend, applications will be accepted through to the following Monday at 4pm.
- **One complete electronic copy, in a single PDF document,** of the form and all additional documents must be submitted to the Centre's Administrative Officer (reception@cirmmt.mcgill.ca) by the deadline.
- **Application form notes:**
 - **Please note** that section D must be filled out by ALL students who are applying for renewal of Student Award funding.
 - **Single applicants** who have only one supervisor must justify their choice in Section C.
 - **CVs** must be submitted by all applicants.
- **Late or incomplete applications will not be considered.**
- Recipients of Student Awards are required to take present at the annual Student Symposium (usually in late May) both at the start and at the end of their award in order to receive their funding.

REMINDER:

- To be able to use CIRMMT resources, students are expected to have attended the **CIRMMT Orientation session**. If you have not done so, please check here <http://www.cirmmt.org/activities/workshops/training/orientation> to find out when the next orientation session is scheduled, or to request a session.
